

St Augustine's Clubhouse Guidelines

Please Read

- We are currently operating reduced opening hours, please ask the staff, see your BRS email or visit our social media pages for times
- There are designated Entrance and Exit doorways, please follow our one way system
- Upon entry please sanitise your hands and complete the NHS track and trace form (QR code or via the track and trace booklet located at the entrance of the main bar)
- Face Coverings MUST be worn when moving around the clubhouse, these may be removed once seated.
- No member or visitor will be permitted to order at the bar, please take a seat
- ALL orders will now be taken from your table
- There is a reduced seating area all 1metre + apart
- There will be a maximum of 6 people per table
- Please do not move any of the chairs or tables
- If there is no seating left within the clubhouse then there is additional seating outside
- There are hand sanitiser stations around the clubhouse, please use
- Please follow the one way system to the toilets and wear a face covering
- The toilets will be checked at regular intervals
- All hand contact points will be sanitised after every use e.g tables and menus
- Cutlery and Condiments will be brought to your table
- The windows and doors are open to provide sufficient ventilation, please speak to a member of staff before you close these
- These new guidelines are designed to keep our staff, members and guests safe. Please respect our staff.

Thank You For Your Understanding
